Allow our professionals to:-

Write it for you!

Sing it for you!

Produce it and design your song or album cover

Publish it on the largest platforms in the world...

Spotify, Tic-Tok, I-Tunes, YouTube!

Earn every-time it's listened too!

We will work with you!

Do you have an idea, your own story to tell, or just a subject you like?

Your song can be virtually about anything you like, or we can help you write a song from just a theme.

From a Rap to Country music... you decide and we make it come alive!

Sit back and allow us to produce your song... all legal rights belong to you...

We can help you decide...

Even if you like the thought of your own song or songs but don't have any ideas!

We can assist here!

With years of experience, our song writers can suggest the best subjects, theme and type of song and will develop that subject into your own, original version!

Earnings...

The earning potential is unlimited

How much your song(s) or Album will make can vary but the good thing is, people can listen for free! If they are into your type of music, they'll give it a listen and you earn!

“They'll listen to it or even buy it”...

Average earnings for a song can be in the region of £4,000 per month and can easily keep going for a long time, if not forever.

Any song can make money but if it's a good song on the other hand (When the word spreads) can literally earn you a small fortune!

The simple fact is, you will have literally millions and millions of customers who'll have access to YOUR song(s) or album!

How it works!

Once we have your order, we will introduce you to your writer and producer...

They will discuss your requirements and guide you step by step and start your project

They will work with you from start to the finished product

Once finalised it can be published to your own accounts on these platforms, Tic-Tok, You-Tube, iTunes and Spotify, and the world will have access to your very song(s) or album.
